Assignment Job performance interview

1. What would you like to discuss with your supervisor about the process of your PhD project?
   - Make use of the questions from the hand-out 'Contract of Expectations'
   - Make use of the checklist 'Job evaluation'

2. Prioritise: what would you like to ask/tell your supervisor above all?

3. Do you find that difficult. And if so, why? How will you put it into words despite this?

4. What would you like to practise here especially?
