

LEARYS ROSE

1. The Above-Together sector: Leading
 self-definition: I am stronger, better than you; I am in control
 definition of the other: you are weak and in need of help
 relationship definition: you must listen to me

2. The Above-Opposed sector: Competitive
 self-definition: I am better than everyone, I only trust myself
 definition of the other: you are weak
 relationship definition: look at me and feel inferior

3. The Opposed-Above sector: Aggressive
 self-definition: I am bad, threatening
 definition of the other: you are powerless
 relationship definition: be afraid of me

4. The Opposed-Below sector: defiant
self-definition: I am different from others, I do not need anyone
definition of the other: you are unreliable, you do not like me
relationship definition: reject me, even hate me

5. The Below-Opposed sector: Withdrawn
self-definition: I do everything wrong, it is my own fault
definition of the other: you are threatening
relationship definition: leave me alone

6. The Below-Together sector: Dependent
self-definition: I am weak and obedient, I need help
definition of the other: you are stronger than I am
relationship definition: you must help me and give me guidance

7. The Together-Below sector: Co-operative
self-definition: I am friendly, pleasant and accommodating
definition of the other: you are also friendly and pleasant
relationship definition: say whatever you like; I am ready for anything

8. The Together-Above sector: Helping
self-definition: I am balanced, reliable and sympathetic
definition of the other: you are also balanced and sympathetic
relationship definition: we like each other
