

Assignment Discussion with supervisor

1. What would you like to discuss with your supervisor about the process of your PhD project?
 - Make use of the questions from the handout 'Contract of Expectations'
 - Make use of the checklist 'Performance review'

2. Prioritise: what is the most important issue you would like to discuss?

3. How would you like to communicate this message?

4. What will be difficult in this conversation and how can you overcome this difficulty?
