

Assignment 2: Visualize your Planning and Reflect on it

Start with individual reflection.

Create a visualized 3 months planning. Below you see an example.

Period:

When you are ready with your visualization, reflect on the following questions:

- What risks do you see?
- What would help to reduce these risks?
- Do you feel you have 'grip' on your planning?
- What would help to improve your grip?

When you are ready, or after 30 minutes, contact your buddy.

Teamwork

- Exchange your findings.
- Listen carefully to what your buddy found out through this assignment.
- Ask questions, probe for details, help your buddy to improve his/her 'grip'.
