

## Questions regarding the planning of a PhD project

1. Will you/won't you teach? Why yes/or no?  
Preference for: lecture, working group, practical, thesis?
2. Do you want to do an internship abroad?
3. Who do you need for your research?  
How will you involve them?
4. What are the risks of your research? What could go wrong?  
Is there a plan B?
5. Do you have regular appointments with your supervisor to discuss your planning?  
How do they work?
